DACC Newsletter October 2013

Dear [NAME]

once again, we've updated the design of our newsletter - we hope you like it!

The US economy is slowly recovering, and more and more Danish companies want to export to, or establish on, the US market. The Chamber is a great platform for Danish and American companies to network and grow their business, and several new members have joined the Chamber recently, which we are thrilled about.

DACC has initiated a [Young Professionals program](#), and in a short time, more than a dozen people have signed up. Do spread the word!

Finally - remember to follow us on [LinkedIn](#), [Facebook](#) and [Twitter](#), so you don't miss any DACC activities.

Yours sincerely,

The DACC Secretariat

Daniel Skavén Ruben & Thomas Aalund Junker
