## January 2014

Dear &lt;&lt;First Name>>,

we hope you had a great holiday season!

On December 13, we hosted our Annual Membership Meeting and the DACC Christmas Luncheon at the Harvard Club. More than 120 guests attended. We've received great feedback, and we will try to use your suggestions to make the event better in December 2014! For pictures from the event, please see [our Facebook page](#).

If you have any particular requests regarding DACC events during 2014, please don't hesitate to reach out to us.

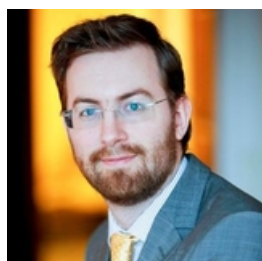

Our community continues to grow. If you know of any Danish companies that have established in New York, or American companies doing business with Denmark who should become members, then tell them to do so - or let us know, and we will invite them to join.

Best wishes for the New Year!

Yours sincerely,

**The DACC Secretariat**

## Forget Jante - Denmark is Pretty Awesome

It's time to tout our own horn a bit - Denmark is a great country to do business with and live in - and here are some stories to prove it (in case you missed them):

In early 2013, The Economist called the Nordic countries "[the next super model](#)" - and this was just the start. Denmark...
