DACC Newsletter

June 2014

Dear <<First Name>>,

We hope that you are all enjoying the summer and have your summer suits ready as we are now entering the 90 F's.

Since the last newsletter DACC members have enjoyed the art and good company at the Consulate General of Denmark, the Young Professionals have met the Danish innovation and strategy consultancy [ReD Associates](#) at their office in the financial district and we have kicked off a new yearly tradition; a Whitsun Luncheon (Pinsefrokost) held this year at The Copenhagen.

As always, the column to the left reveals the events coming up; among other things, DACC co-hosts a presentation and Q&A on dual citizenship at the Danish Consulate General while the Young Professionals will pay a visit to Google's NYC Office in the Meatpacking District. Both events are closed for registration but we believe interested members have already been notified.

Have a great rest of June!

Yours sincerely,

The DACC Secretariat

Daniel Skavén Ruben & Philip Hansen

SMA Law Firm, U.S. Immigration & Consular Law

*“Building the bridge to your American
dream.”*

SMA Law Firm was founded in 2004 by
Georgetown Law graduate Steve Maggi, as a
boutique firm specializing exclusively in U.S.
immigration and consular law. SMA's motto is
"building the bridge to your American dream"
because its mission is to help foreign nationals
achieve their own unique version of the
American dream. This comes in many forms,
including employment-based visas for skilled
workers, professionals and artists, business
visas for the expansion of international
businesses into the U.S., investor visas for
entrepreneurs interested in launching start-up
companies, or buying an existing company or
franchise, as well as family-based petitions,
adjustment or changes of status, residency and
citizenship applications.

What sets SMA apart from many U.S.-based
immigration practices is its expertise in visa
processing at U.S. embassies around the world.
SMA provides representation at U.S.
embassies, for visas specifically processed on a
consular level, and for any individuals who
require waivers when deemed as inadmissible
to the U.S. for a variety of reasons.

This experience gives SMA the ability to create
