SAS - New Intercontinental Cabin and Service Concept

The time has finally come for SAS to proudly introduce their new long haul cabin interior. To mention just a few of the amenities included in the new SAS long-haul experience, all intercontinental flights now feature a whole new cabin design, new comfortable seats - fully flat in Business, new state-of-the-art HD entertainment system and access to WiFi.

More details about the new concept will follow in a separate email.

ALL WE NEED IS INSIDE - Exhibition by Jeppe Hein

In a new gallery exhibition, Danish artist Jeppe Hein invites visitors to enter a spiritual state by becoming more aware of their own body and mind.

Hein is known for his adventurous art featuring labyrinths, mirrors, benches and playful rooms that urge the audience to take part in his art and explore it with their own bodies.

His exhibition at 303 Gallery strikes a more introspective pose than his previous work by introducing settings with mirrors, candles, marks of breath and heartbeats that invite visitors to focus of their own spirituality and inner life.

Contact DACCC at daccny@daccny.com for details.
