DACCN Y July 2016

Dear <<First Name>>,

We hope you all had a great Grundlovsdag, and that some of you were able to celebrate it at the Danish Home in Croton-on-Hudson, or in Central Park with the Hans Christian Andersen's Story Telling Center.

On Sunday, June 26th there was great support from the Nordic countries for the annual Pride Parade in support of the LGBTQ community and ongoing fight for equal rights around the world.

DACCN Y is growing, and this month we have an introduction to a new Small Business member [iNSIGHT RESOURCE](#).

Have a great Holiday Weekend and a great summer!

Yours sincerely,
The DACCN Y Secretariat

and experience, iNSIGHT RESOURCE will evaluate how well each candidate fits the company culture, the job description and the team.

The assessment tools cover the following traits:

- **The cognitive competences** – how to come up with ideas and solutions, solve problems – the ability to analyze, structure and organize.
- **The social communicative competences** – how to “Sell” and get acceptance of the ideas and to enable teamwork – the ability to cooperate and establish trustful relationships.
- **The performance competences** – how to carry out and implement the ideas – to get things done – the ability to take on independent action and responsibility.

The solutions and services I offer will save you time and resources, enabling you to focus on other areas of your business. My focus is to support your efforts in selecting the right long-term candidates for your organizations in both Denmark and the US.
