Greetings,

The first day of summer is fast approaching, and we hope you have planned some enjoyable events for the summer.

On June 8, DACCNYS had the pleasure of hosting the **Annual Whitsun Dinner/Pinsefrokost** at restaurant [n'eat nordic eatery](#).

We would like to thank Ambassador Anne Dorte Riggelsen for her talk on *"The 100-Year Commemoration of the Transfer of the US Virgin Islands from Denmark to the United States"* and all participants at this event. We hope you enjoyed both menu and wine in good company.

A Word from Our Outgoing General Manager

Dear Members and Friends;

My time as General Manager has come to an end.

I've been in charge of the organization's daily operations for 3 years and have experienced first-hand – and in many cases facilitated – the positive development of the Chamber. Some of the changes have been visible but the biggest achievements have been on streamlining the back-end. Hopefully, my efforts will allow DACCC to shift its administrative focus and energy from infrastructure to furthering our vision of being the preferred business network for the Danish-American business community in New York City and the surrounding Tri-State Area.

With DACCC's new executive leadership and daily management, I believe the future of the organization is in safe and exceedingly capable hands.

I would like to take this opportunity to thank the board for their collaboration and the general membership for their ongoing support and participation.

I look forward to seeing all of you at future events as a general member.

Anders Lindskov Jensen
