A special thanks to

DACCNY July 2017

Happy Birthday, America!

We hope you all enjoyed the 4th of July holiday weekend and the celebration of America's Independence and 241st Birthday!

Many of our friends in Denmark celebrated along with us. As the only country outside the United States, we have celebrated this day every year for more than a century. Denmark has the longest strategic relationship with the US going back to 1783 and recognized the Independence of the United States in 1792.

JUNE HAPPENINGS

On Sunday, June 25th, the Nordic countries marched alongside their LGBTQ friends at the New York City annual Pride Parade and showed their strong, continuing support for the fight for equal rights around the world.

News from a fellow DACC member

Our Member, Flemming Heilmann has written and published a memoir about his itinerant World War II childhood and education in British colonial Malaya, through his life as a business executive in the U.S. in the mid-seventies and beyond.

The book leaps into a roiled global environment, which forces risky decisions and navigation of uncharted waters, sink or swim.

Available now from all major online retailers.

A Word from Our New

Dear Members,

I would like to introduce myself as the new General Manager of DACC.

In 2007 I arrived in New York with my husband, a fellow Dane, and our two daughters. Our move from Copenhagen, Denmark was based partly on a career change but also a desire for family adventure. So far, the adventure has lasted ten years, and we are now happily located in beautiful Northport, LI, where we are fully enjoying the best of the Danish and American cultures.

I have a background in nutrition and has co-owned several health food stores in Denmark. Since my move to New York, I have mainly been involved in sales and distribution of organic food and in starting up my own small business [Kur Organic Superfood](#).

Throughout the month of June, I have worked closely with our President Christian Schoenberg and outgoing general manager Anders Lindskov Jensen. I would like to thank them both for creating a great toolset to ensure a smooth transition and for patiently introducing me to DACC's processes and the history and everything I need to know to make DACC run smoothly.

I'm looking forward to being part of the continuing positive development of the Chamber, its daily management, and to assist DACC at future events. I would like to remind you of the many [membership benefits](#).

If you wish to co-host events, share articles in DACC's monthly newsletter, or advertise on the DACC website - we can help you with that, too.

Here's to a Happy Summer - I'm looking forward to seeing you all at our upcoming fall events.

Marianne Honoré
General Manager, DACCNY Secretariat
