## DANISH-AMERICAN CHAMBER OF COMMERCE

### NEWSLETTER

*February 2018*

#### Greetings,

This month, on February 6, we had the pleasure of inviting our members to the FACC Breakfast Seminar with PricewaterhouseCoopers: ***US Tax Reform - What It Means for the Nordic Companies***. Around 70 attendees enjoyed an interactive breakfast with PwC's leading U.S. tax professionals Steven Tseng, Bernard Moens and Mike Danilack, on the topic of preparing for the dramatic legislative changes.

If you're interested in following future discussions on tax -reform readiness and business strategy by PwC, you can register for the [PwC webcasts here](#).

---

We have several other events coming up and more are on the drawing board - so mark your calendar and stay tuned AND please, as always, help spread the word about the benefits of being a DACC member.

If you are not already following DACC on social media, please do so.

## UPCOMING EVENTS

### 2018 European Startup Pitch Nights

We are thrilled to partner with the European-American Chambers of Commerce on their 2018 Startup Pitch Nights.

The purpose of the nights is to bring together the European communities in the U.S. and raise awareness of innovation across Europe. The idea is to create a facilitated-meeting environment where audiences interested in specific subject matters will have the opportunity to meet people involved in startups and scale-ups, and potential investors.

The events are still on the drawing board but the dates and themes have been set.

**Format:** TED-style presenting.

Five-six companies with a short 3-minute pitch, followed by a panel discussion + Q&A moderated by a field expert, followed by a networking reception.

**Attendees:** The maximum number of attendees will be 115.

**Venue locations:** TBD

**Dates:**

**Pitch Night 1:** Wednesday, March 21, 2018

THEME: V/R

**Pitch Night 2:** Wednesday, April 25, 2018

THEME: FinTech / Crypto

**Pitch Night 3:** Tuesday, June 12, 2018

THEME: Retail / IoT

**Pitch Night 4:** Wednesday, September 12, 2018

THEME: AI

In order to emphasize collaboration and bridge-building, there will not necessarily be any focus on specific “winners” of events.

If you have any start-up companies in mind that would be interested in pitching, please contact [daccny@daccny.com](mailto:daccny@daccny.com) or Mads Hebbelstrup [mads@manhattancc.org](mailto:mads@manhattancc.org)
