DANISH-AMERICAN CHAMBER OF COMMERCE

NEWSLETTER

April 2018

Greetings,

Spring is finally here! And last week we had the pleasure of seeing spring being sprung from up high at Designit's amazing DUMBO location at a very interesting and entertaining event 'Shape the future - Design as a new way of creating growth.'

We would like to thank all members and friends of DACC who participated. Our special gratitude to Mikal Hallstrup, Designit's founder and CEO, for hosting and sharing his insights on how to create business growth through design at a time where we are all trying to figure out how to log in to the digital economy.

We have some great events coming up next month and, as always, we hope to see you all there.

being a DACC member.

Happy Spring...for real this time!

Yours sincerely,

Marianne Honoré
