DANISH-AMERICAN CHAMBER OF COMMERCE

NEWSLETTER

August 2018

Hi everyone,

We hope that you've had a chance to enjoy just a few of the innumerable attractions that NYC has to offer. The weather has been spectacular – if a little humid – and continues to be so.

upcoming fall with some exciting events. We hope to see you there!

As always, we encourage you to explore the benefits and perquisites of your [DACC membership](#).

A quick reminder. One of the benefits – that came in handy for a couple of members over the summer– is our member-only service of free certified translations of vital records for submission to U.S. federal and state agencies (e.g. birth, marriage, and death certificates, etc.). Please contact our secretariat for more details.

If you have any ideas for events that you think might be of interest to your co-members, let us know. If you wish to co-host events, share articles in DACC's monthly newsletter, or advertise on our website - we can help with that, too.

Here's to a continued joyful August.

Marianne Honoré
General Manager, DACCNY Secretariat

SUMMER HAPPENINGS

On August 22, we joined forces with the Manhattan Chamber of Commerce and the New York City FC at Yankee Stadium for Manhattan Borough Night.

made the trip up the Hudson was clearly the better team on the occasion. But the company, drinks, and merriment were plentiful so who's complaining?

We have to say this... for those of you who have yet to see a game there – Yankee Stadium is surely one of the easiest venues to get to and one of the smoothest operations in the Major Soccer League. Imagine a world without Brøndby IF – the two sides' fans get along. It's easy to get in and out – and unlike Telia Parken in Copenhagen, no riot police.

How are tech and the Internet of Things (IoT) changing the retail industry?

In collaboration with the European-American Chambers of Commerce, we have the pleasure of inviting you to an exclusive evening where some of the most innovative and cutting-edge European startups will pitch their ideas, visions, and trends regarding Retail-Tech. This networking event allows pitchers, investors, and other professionals to mingle, spark conversations, and forge new connections in a truly unique setting located on the 42nd floor.

"Pitch&Mix" events train the spotlight on some of the many fantastic initiatives emerging from the EU tech scene right now and connect such efforts to the broad international network we have here in NYC.

Companies are provided with a platform to pitch and showcase their latest advances to a mix of tech enthusiasts, entrepreneurs, and young professionals from over 20 countries.

Join EACC and the Danish-American Chamber of Commerce on September 12, 2018, for an interactive and exciting event where we explore the newest Retail-Tech landscape and its future!

**Cybersecurity:
Threats affecting businesses, government
agencies, and non-profits
October 18 - 6:00-8:00 PM**

The Danish-American Chamber of Commerce is tremendously excited to invite you to an event focused on the impact of cyber threats to businesses and government agencies in collaboration with the Manhattan District Attorney's Office.

We have an impressive panel of experts who will be focusing on today's cyberscape for small, medium, and large-scale organizations (including governments agencies, businesses, and non-profit entities). Our speakers will also touch on major recent cyber attacks and breaches in the news and what can be done to prevent future attacks.
