NOTE - POSTPONED - NEW DATE TBD
Cybersecurity:
Threats affecting businesses, government agencies, and non-profits

Unfortunately, our panel of experts unfortunately had to postpone this event as they had urgent cybersecurity matters to attend to.

But, as they say, the third time is a charm, and we will return with a new date as soon as possible.

For those of you who already registered, we hope you will still be able to join us

Cybersecurity: Threats affecting businesses, government agencies, and non-profits

An impressive panel of experts who will be focusing on today's cyberscape for small, medium, and large-scale organizations (including governments agencies, businesses, and non-profit entities). Our speakers will also touch on major recent cyber-attacks and breaches in the news and what can be done to prevent future attacks.

The event will be held in collaboration with the Manhattan District Attorney's Office.

ARE YOU OUR NEW GENERAL MANAGER?

A bit of happy and bittersweet news. I will be stepping down as general manager as a result to my growing business venture.

It has been an incredible pleasure to work with all of you and I promise to stay connected and of course continue as a member of the DACC family.

We are looking to hire a new part-time manager to replace me, effective as soon as possible. Please help spread the word!

The position is part-time, estimated at 40+ hours per month on an annualized basis. It offers mostly home-based work with an ever-changing and wide variety of functions. You will gain exposure to representatives of a wide range of U.S. and Danish organizations as well as other commerce chambers and businesses.

GRATEFUL WORDS FROM A MEMBER

On August 16, my wife and I became proud (and hopeful) U.S. citizens – we now carry dual citizenship. We had been naturalized but had to travel abroad the next day and had to rely on the U.S. State Department's expedited U.S. passport service. They required not just the originals but also certified translations of our marriage certificate and our children's birth- and name certificates.

With little time to spare - well, less than an hour - we reached out to DACC member Tollund, Inc. for help: They offer translation of vital records, to all DACC members and next-of-kin - at no charge.

And guess what... Tollund actually delivered our urgently needed documents within the hour! We had all the translator's notarized affidavits, translations, copies of the originals, and other pertinent records printed out at a nearby FedEx location. The officer at the New York Passport Agency was very impressed with the thoroughness and professionalism of the translations. Thank you Christian Schoenberg for your calm and professional way of handling our emergency situation. We were able to get our passport the same day and enjoy our vacation and our new status as Americans.

Gratefully yours,
