## DANISH-AMERICAN CHAMBER OF COMMERCE

### NEWSLETTER

*January 2019*

Dear Members

A New Year has begun and the leadership and board of DACC are working to make this a pivotal year in the history of the Chamber. First we are proud to welcome our new General Manager, Kristina Hilton who brings extensive sales executive experience from Denmark to the Chamber, adding to our strong development focus. You will have a chance to meet and greet Kristina at our coming events.

## A WORD FROM OUR NEW GENERAL MANAGER

Thank you so much to all of you for welcoming me so warmly to the Danish-American Chamber of Commerce. I've already had the pleasure of meeting many of you at our annual Christmas Luncheon in December at the Scandinavian House and will hopefully see many more of you at our exciting upcoming events this spring.

I moved to NYC this summer with my husband and our youngest son – we have another son and a daughter back in Denmark. My previous work experience has centered mostly on customer relationship management and sales within the Pharmaceutical Packaging Industry. And a lot of the skills from that area are directly applicable to my new duties and responsibilities at DACC. I look forward to continuing Marianne's great work together with our Board and our members, and to being part of continuing the positive development of the Chamber.

Please feel free to reach out to me with any questions or suggestions you might have.

Stay warm!

Kristina Hilton  
General Manager

### **Cybersecurity: Threats affecting businesses, government agencies, and non-profits**

The Danish-American Chamber of Commerce is tremendously excited to invite you to an event focused on the impact of cyber threats to businesses and government agencies in collaboration with the Manhattan District Attorney's Office.

An impressive panel of experts who will be focusing on today's cyberscape for small, medium, and large-scale organizations (including governments agencies, businesses, and non-profit entities). Our speakers will also touch on major recent cyber-attacks and breaches in the news and what can be done to prevent future attacks.

The event will be held in collaboration with the Manhattan District Attorney's Office.
